SUCCESS LASTS A LIFETIME

JOB CORPS IS FOR YOU

Job Corps is a free education and training program that helps young men and women get a better job and take control of their lives. At Job Corps you can learn a trade, earn your high school diploma or GED, and get help finding a good job.

At most Job Corps centers, you will live on a Job Corps center campus. There you will study and meet lots of different people.

If you are age 16 through 24 and want a better, more promising career, then Job Corps is for you.

Everyone pictured in this brochure is a Job Corps student or graduate.

TRAINING

Learn trades ranging from carpentry to health occupations from professionals who understand what it takes to succeed. The best part is, whatever trade you choose, the training won't cost you anything!

EDUCATION

If you weren't able to finish high school, don't worry. Job Corps can help you earn your high school diploma or GED. To gain a high school diploma, you may participate online, in a program on center, or with a local school. Job Corps also offers classes to prepare you for the GED test.

SUCCESS PLAN

Job Corps staff is dedicated to working with you throughout your stay at Job Corps, creating a hands-on career training program that fits your needs and prepares you for success in the work world. Computer training, resumé writing and interview skills are all part of the program.

SUPPORT

When you graduate, you will have the skills and confidence to start a promising career and earn good money. Job Corps will help you find the job that is right for you. And your Job Corps career transition specialist will stay in touch with you for a year, providing the support you need to get started in your career.
